SIGNATURE OF APPLICANT:			

2) **INFORMATION SUPPLIED BY OFFICIAL SAMPLER:**

Name of sampler:		Regional office:	
Date of sampling:	Sampling (mark with a X)	Original	Re-sampling
Name of establishment and town/city where sampling was undertaken (if different to the above mentioned):			
Services rendered:	Hours:	Seals:	Amount payable: Invoice No.:
SIGNATURE OF SAMPLER:			

3) **INFORMATION SUPPLIED BY SEED TESTING LABORATORY:**

Date of allocation of lot numbers:	Expiry date of this application:
Name of officer who allocated lot numbers:	Application no.:
SIGNATURE OF OFFICER:	

4) SAMPLE PARTICULARS (page no. ___) : NORMAL PACKAGING

Checked by: _____

Information supplied by Applicant								Seed Testing Laboratory	Signature		
Seed kind	Variety	No. of containers	Weight of lot (kg)	Code no.	* Tests requested by applicant (mark with X)			Termination of germination (if Yes - indicate %; if No - NA)	Analysis tariff per sample	Lot no. **	Sampler
					P	G	M				Applicant

* From one sampling operation, only one sample may be submitted for testing. This sample may be subjected to one or more tests as requested by the applicant, but certain tests such as for moisture content require the submission of a separate sample from the same sampling operation, in moisture proof packaging attached to the submitted sample.

** Each container must be marked (clearly legible) or furnished with an attached label, stating the allocated lot number.

4) **SAMPLE PARTICULARS ((page no. __) : SMALL PACKAGING [tins, packets, foils, etc.] SPECIFY TYPE OF PACKAGING: (e.g. foils packaged into cartons)** Checked by: _____

Information supplied by Applicant							Seed Testing Laboratory		Signature		
Seed kind	Variety	No. of containers	Weight of lot (kg)	Code no.	* Tests requested by applicant (mark with X)			Termination of germination (if Yes - indicate %; if No - NA)	Analysis tariff per sample	Lot no. **	Sampler
