***“Alle variëteite” beteken dat variëteitslysplasing nie vereis word voor kommersialisering nie, daarom mag alle variëteite van daardie soort plant ingevoer en verkoop word sonder magtiging.***

***“All varieties” means that varietal listing is not required before commercialization; therefore any variety of that kind of plant may be imported and sold without authorisation.***

***(Die nommer in hakies agter die variëteitsname verwys na die aansoeker/houer/plaaslike verspreider van variëteite. Indien geen nommer aangedui is nie, is daar nie 'n spesifieke agent vir die varëteit nie)***

***(The number in brackets at the variety denomination refers to the applicant/holder/local distributor of varieties. In case where there is no number indicated, there is no specific agent for the variety).***
