CIRCULAR TO ALL INTERESTED PARTIES AND MEMBERS CONCERNED WITH SEED CERTIFICATION

ORDERS FOR SEALS, LABELS, BOOKS & LINEN BAGS

Herewith please find a Requisition form for the ordering of seals, labels, books and linen bags being used for seed certification purposes. Orders must now be placed for the period **2020-03-01 to 2021-02-28. PLEASE NOTE that all prices quoted are still subject to approval by the SANSOR Board of Directors.**

Please note that orders for labels and seals are only placed once a year (October) for delivery as from April to June the following year. You should, therefore, ensure that you would have sufficient stock, after delivery of this order, to satisfy your needs up to end July 2021. Orders placed after 31 October 2019 will be subject to the availability of emergency stock held at SANSOR; otherwise it would be subjected to the availability of material from the suppliers. Not only may prices increase drastically, but a shortage of imported material at the supplier may result in that labels required are completely unavailable. Stock which is supplied to companies during the year may also be double the prices as indicated.

Your attention is once again drawn to the fact that the SANSOR emergency stock is limited to the minimum and can only be used for emergencies. Delivery of emergency stock will only be carried out by SANSOR courier, but for the account of the receiver.

N.B. The requisition form must reach SANSOR before Thursday, 31 October 2019.
