CIRCULAR TO ALL INTERESTED PARTIES AND MEMBERS CONCERNED WITH SEED CERTIFICATION

ORDERS FOR SEALS, LABELS, BOOKS & LINEN BAGS

Herewith please find an Order form for the ordering of seals, labels, books and linen bags being used for seed certification purposes. Orders must now be placed for the period **2020-03-01 to 2021-02-28**.

Please note that orders for labels and seals are only placed once a year (November) for delivery as from March to June the following year. You should, therefore, ensure that you would have sufficient stock, after delivery of this order, to satisfy your needs up to end February 2022. Orders placed after 27 November 2020 will be subject to the availability of emergency stock held at SANSOR; otherwise it would be subjected to the availability of material from the suppliers. Not only may prices increase drastically, but a shortage of imported material at the supplier may result in that labels required are completely unavailable. Stock which is supplied to companies during the year may also be double the prices as indicated.

Your attention is once again drawn to the fact that the SANSOR emergency stock is limited to the minimum and can only be used for emergencies. Delivery of emergency stock will only be carried out by SANSOR courier, but for the account of the receiver.

The order process will work as follows:

1. Complete the order form and email it to accounts@sansor.co.za before Friday, 27 November 2020.
2. Receive a quotation from SANSOR after submitting the order.
3. Confirm the order by forwarding the Purchase order to accounts@sansor.co.za by 30 November 2020
4. Receive stock from March 2021

N.B. The order form must be emailed to accounts@sansor.co.za before Friday, 27 November 2020.
